Please carefully read the following terms and conditions and any accompanying documentation before you download and/or use the Motion-X Dataset and the accompanying Software (hereinafter referred to as the "Dataset"). By downloading and/or using the Dataset, you acknowledge that you have read these terms and conditions, understand them, and agree to be bound by them. If you do not agree with these terms and conditions, you must not download and/or use the Dataset. Any infringement of the terms of this agreement will automatically terminate your rights under this License.

Ownership / Licensees

Notwithstanding the disclosure of Motion-X and any material pertaining to this dataset, all copyrights are maintained by and remained proprietary property of the authors and/or the copyright holders. You may use the dataset by ways in compliance with all applicable laws and regulations.

The annotations in Motion-X are licensed under the Attribution-Non Commercial-Share Alike 4.0 International License (CC-BY-NC-SA 4.0).

You must give appropriate credit, provide a link to the license, and indicate if changes were made. You may do so in any reasonable manner, but not in any way that suggests the licensor endorses you or your use. You may not use the material for commercial purposes. If you remix, transform, or build upon the material, you must distribute your contributions under the same license as the original.
